

*"In him was life, and the life was the light of men." — JOHN 1:4 ESV*

**T**hrough LCMS Life Ministry, the Body of Christ comes together to value all human life — from conception to natural death.

**LCMS Life Ministry speaks up for life, cares for people in body and soul and teaches about the sanctity of human life.**

The Lutheran Church—Missouri Synod's Life Ministry network is comprised of thousands of people throughout the LCMS who are passionate about and engaged in sanctity of human life efforts, both in our church body and the culture at large. We speak for human life by witnessing to our Lord's creation of life and His design for marriage and the family, and by advocating for the God-given value of all human life in the public square. We care for human life by sharing Christ's love and mercy, caring for people in body and soul by sponsoring human care efforts in local communities through congregations, and internationally through our missionaries and partner church bodies. We educate by providing resources and events for people of all ages.

**T**eamwork and volunteers are vital to the work of LCMS Life Ministry. There are opportunities to participate in the Life Ministry community in your local district and nationally. Email [lifeministry@lcms.org](mailto:lifeministry@lcms.org) to get involved and become a part of the team.

We work closely with allies such as Lutherans For Life, Lutheran Family Service, the National Pro-Life Religious Council and many LCMS Recognized Service Organizations. Through these relationships and by providing pregnancy resources, educational materials and opportunities, as well as programs reaching out to children and youth, LCMS Life Ministry is making a difference.
